Sirs,

I knew from the start that I wouldn't be caught.

I didn't rob Northwest Orient because I thought it would be romantic, heroic or any of the other euphemisms that seem to attach themselves to situations of high risk.

I'm no modern day Robin Hood. Unfortunately do have only 14 months to live.

My life has been one of hate, turmoil, hunger and more hate, this seemed to be the fastest and most profitable way to gain a few fast grains of peace of mind.

I don't blame people for hating me for what I've done nor do I blame anybody for wanting me to be caught and punished, though this can never happen.

Here are some (not all) of the things working against the authorities:

I'm not a boasting man

I left no fingerprints

I wore a toupee

I wore putty make-up

They could add or subtract from the composite a hundred times and not come up with an accurate description; and we both know it.

I've come and gone on several airline flights already and am not holed up in some obscure backwoods town. Neither am I a psycho-pathic killer. As a matter of fact I've never even received a speeding ticket.

Thank you for your attention.

Model 128

MINI-MARKER

MARKER BEACON RECEIVER \$128.

Somebody else had already invented the marker beacon receiver. So Airmarc just had to design one better. Our Model 128 MINI-MARKER is the smallest, most reliable, lowest-priced unit ever offered. Solid-state, integrated circuitry. Hi-lo lamp-dimming capability. Mounts horizontally or vertically in space usually reserved only for the three lights remoted from other products. You can buy it all by itself for just \$128.00. It is also an integral part of our complete Model 288 audio amplifier control panel system which sells for \$288.00. Or you can buy just the Model 188 control panel without marker for only \$188.00. All units meet or exceed FAA and FCC specifications, including TSO requirements. Send for detailed information or call your favorite avionics dealer.

DB Cooper 35/05

Sirs.

I knew from the start that I wouldn't be caught.

I didn't rob Northwest Orient because I thought it would be romantic, heroic or any of the other euphemisms that seem to attach themselves to situations of high risk.

I'm no modern day Robin Hood. Unfortunately do have only 14 months to live.

My life has been one of hate, turmoil, hunger and more hate, this seemed to be the fastest and most profitable way to gain a few fast grains of peace of mind.

I don't blame people for hating me for what I've done nor do I blame anybody for wanting me to be caught and punished, though this can never happen.

Here are some (not all) of the things working against the authorities:

I'm not a boasting man
I left no fingerprints
I wore a toupee
I wore putty make-up

They could add or subtract from the composite a hundred times and not come up with an accurate description; and we both know it.

I've come and gone on several airline flights already and am not holed up in some obscure backwoods town. Neither am I a psycho-pathic killer. As a matter of fact I've never even received a speeding ticket.

Thank you for your attention.

D.B. COOPER
